

Civic Corner

We are working hard on finishing the plans for the barricade at the end of Anthony Drive, with the help and input of our Residents, Representative John Viola, State Senator Tony DeLuca, and Norwegian Woods Maintenance Corporation. The final plan is to use the rectangular planters that have been provided by Representative John Viola and to purchase additional planters to place in between the road and sidewalk. Then we will purchase trees to plant from the sidewalk out (35 feet) in a zigzag form. Norwegian Woods Maintenance Corporation has graciously allowed us (TFCA) to move our barricade back 10 feet, which then becomes the property of Norwegian Woods Maintenance Corporation. However, we feel as a connecting community that we can work together on maintaining this new barricade. Completion of this project is estimated to be spring of 2005. Thank you to all the residents who took an active role in helping us with this matter.

Our next Civic Association Meeting will be Wednesday, November 17, 2004, 7:00 PM, Marshall Elementary. Elections will be held for our President and Secretary positions. If anyone is interested in running for these positions please let me know prior to the meeting date.

Regards,
Janet Taylor-McDowell

Important! Important! Important!

There have been some items stolen out of garages in the past months. I have spoken to Detective Corporal L. Rob Joseph from the New Castle County Police Dept. He has shared with me some information that I would like to share with you. He has recovered a scooter that is said to have come from our community. It is a Turbo 360, Silver CCFXIGas Scooter, Serial #1E36E030085325. If this scooter belongs to you, please contact Detective Rob Joseph at 395-8138 or LRJoseph@co.new-castle.de.us.

Maintenance Association Update

It has been brought to the Maintenance Board's attention by New Castle County Land Use Department that there are about 18-20 residents that still owe maintenance dues for 2003 and 2004. Please call our Treasurer, Bob Oakes at 737-0515 to check if you are in arrears. As of December 1st, 2004, these residents will be listed with the attorney for collection.

In the maintenance newsletter last month I mentioned that we are experiencing vandalism in the pond area (Holly Cove) and the playground (Anthony Dr.) and asked residents to notify police when they saw suspicious activity. As of November 1st, the County Police have notified me that some residents are reporting vehicles loitering in the playground area, which has led to increased patrols and vehicles being stopped and questioned. If you see any questionable activity call the Police Emergency phone number 911.

Regards,
Dave Schneider
